

Bridport Planning Commission Meeting

Date: February 11, 2021

Location: Virtual meeting through town website and communication by phone

Attendance: Adam Broughton, Ed Payne, Andrew Manning, Pierre Bordeleau, Steve DeCarlo (Zoning Administrator)

General Public: Joan Giard, Kate Mauldin

Chairman, Adam Broughton called the meeting to order at approximately 7:30 p.m. after all communication issues were cleared up.

New Business: Members heard thoughts and shared ideas with Joan Giard and Kate Mauldin on the future subdivision of the old family farm of Walt & Helen Giard. This discussion also included the possibilities and opportunities of the camp of Girard's Bay. Some challenges may be met with solid engineering and the Planning Commission would be open to hear any ideas presented going forward.

New Business: Members approved a subdivision for portions of land owned by Jerry & Leita Forbes of 1075 Forrest Rd., Bridport, VT. This minor subdivision will create a 2+ acre lot located on Map 4, Parcel #021. All members approved this subdivision.

Old Business: Members approved the Planning Commission minutes of January 14, 2020 and December 8, 2020 meetings.

New Business: Members took a look at future plans and ideas of subdivision possibilities of land of the Robert Myrick Estate. Members saw no reason to stop plans from moving forward.

New Business: Members supported and welcomed the division of future area designated for aircraft such as helicopters to safely land and take off near or next to the RT 22A corridor for emergency air lift response.

The meeting was adjourned at 8:15 p.m.

Respectfully submitted,

Adam Broughton, acting Secretary
