The meeting was called to order by Chairman Adam Broughton at 7:05 PM.

A motion was made by Paul Miller, seconded by Andrew Manning to accept the August 1, 2017 minutes as presented. The motion passed.

Old Business: There was a general discussion regarding the next steps to take on getting the finished new Town Plan to the Regional Planning Commission, and getting it approved. It was approved to send it directly to the Regional Commission at this time.

New Business: The Committee members were then reminded by Chairman Adam Broughton, that now that the Town Plan was updated, it was time for this Commission to review, and update as necessary, the following town Rules and Regulations:

    Planning Commission Rules of Procedure and Conflict of Interest Policy

    Zoning Regulations

    Subdivision Regulations

These documents will be sent to all members shortly. Any changes requested or required by this Planning Commission in its review of these documents will be subject to a similar chain of approvals as was the Town Plan.

As there was no other business to bring up, Adam adjourned the meeting at 8:00 PM.

Respectfully submitted,

Mark Pumiglia, Secretary
