

Bridport Planning Commission Meeting

Date: April 10, 2018

Location: Town Clerk's Office

Attendance: Adam Broughton, Paul Miller, JoAnne Kenyon, Andrew Manning and Mark Pumiglia were present for the Planning Commission.

General Public present from Bridport: Kent Wright.

Chairman Adam Broughton called the Planning meeting to order at 7:04 pm.

A motion was made by Paul Miller, seconded by JoAnne Kenyon to accept the February 13, 2018 minutes as presented. The motion passed.

Old Business: It was reported to all present that our updated Town Plan was approved by the Regional Planning Commission at their March meeting. The committee members then proceeded to discuss their findings in their review of the Bridport Zoning Regulations and any changes or recommendations they would like to propose. None were proposed at this time, but several areas were brought up that should be looked at again to see if they are current; namely, the solar panel issue and any lake front changes mandated after the 2011 record high water levels experienced. These two issues will be looked at for the next meeting.

New Business: There were no "New Business" issues on the Planning agenda.

As there was no other business to bring up, Adam Broughton adjourned the meeting at 8:12 PM.

Respectfully submitted,

Mark Pumiglia, Secretary
