Public Comment: None

Old Business: None

New Business: Joan Huestis introduced Katie Raycroft-Meyer of the Addison County Regional Planning Commission, for the purpose of introducing the Regional Commission's desire to offer help and guidance in having the towns develop their own Municipal Energy Plan. There followed a lengthy discussion of the desire to develop such a plan for Bridport, what areas would be best for our town, and where to start such a project? Katie Raycroft-Meyer again offered her assistance in helping our Commission develop such a plan, if we decided we wanted a Town Energy Plan. She then excused herself from the meeting, with the thanks of the Planning Commission for her help.

After a brief discussion, the Commission agreed that we would start this determination regarding an Energy Plan for Bridport by reviewing the first three sections of the sample Energy Plan, recently sent to all of us on the Planning Commission, for our next meeting.

Other Business: None

As there was no other business to bring up, Adam Broughton adjourned the meeting at 8:30 PM.

Respectfully submitted,

Mark Pumiglia, Secretary
