

Committee Meeting Minutes

November 17, 2021, eighth session of Meeting that began September 22, 2021
Basin Harbor Road Culvert Replacement Committee Meeting continuation
Bridport STP MM (18(6)) Project
Bridport Highway Garage Meeting Room

This session of the Meeting was attended by Joan Huestis, Dusty Huestis and David Bronson and began at 7:18 A.M.

The day before Katie had forwarded to the members a November 12th email from GPI that four of its Invoices dated May, June, August and September totaling \$1,957.52 had not been paid. On October 20th the Committee had approved of these being paid shortly after learning they had not been paid. Since it is believed VTrans has reviewed and reimbursed the Town its 80% of these Invoices, the members don't know of any condition preventing them from being paid. Katie will be contacted concerning this.

No information on whether GPI had completed its report on Debisschop Excavating's request for additional payment over its contracted price for the construction.

All approved of the Meeting being recessed to Wednesday, November 24, 2021, at 7:10 A.M. at the Bridport Highway Garage Meeting Room.

Session ended at 7:30 A.M.

Respectfully submitted By:

David A. Bronson
